American Heart Association Hoops 4 Heart: Silver Lake Elementary will be holding their annual Hoops 4 Heart event on February 28, 2018. February is American Heart Month, which is designed to bring awareness to your personal heart health and associations that aim to help fund heart research. Your student(s) have already received their donation packets. Last years goal was to raise over \$7,000 and the kids exceeded that goal by raising \$7,256. This year the goal will be \$7,500 in donations. If you have any questions feel free to contact me at: kyleconroy@silverlakemustangs.org or call the Elementary (402) 756-1311. All donations are due by February 28!

SOLES4SOULS: Due to the incredible amount of natural disasters our country has experienced in 2017, the Silver Lake Girl Scouts are asking for the community to go through closets and donate any new or gently used shoes for our upcoming Soles4Souls shoe drive in January. All clean shoes are accepted, even half pairs. The shoe drive will run from January 8 - February 9. Soles4Souls was founded as a disaster relief organization after philanthropists and shoe executives provided footwear to those most impacted by The Indian Ocean tsunami in 2004 and Hurricane Katrina in 2005. They continue to act as second wave responders providing footwear and clothing to those in need during times of disaster. The Silver Lake Girl Scouts' wish is that our community might be a small part of providing hope in times of distress.
